### **SH 550 – PARTIAL LANE CLOSURES FOR MAINTENANCE**

The Cameron County Regional Mobility Authority (CCRMA) would like to notify the public that nighttime work will be conducted by the Texas Department of Transportation (TxDOT) and/or their contractor along the southbound lane of SH 550 near the intersection of SH 48 and the Port of Brownsville beginning Wednesday, October 14, 2026, and continuing into Thursday, October 15, 2026.

A single lane closure will be implemented beginning at 9:00 PM and is expected to end at 2:00 AM. The closure is necessary for the installation of a large overhead roadway sign. Only one lane of traffic along the southbound direction will be affected at a time.

Motorists are encouraged to allow extra travel time, use caution when driving through the work zone, and follow all posted signage for their safety and the safety of maintenance crews.

For questions or additional information, please contact CCRMA at (956) 621-5573.

Additional updates will also be available on our website: [www.ccrma.org](http://www.ccrma.org).

We appreciate the public's patience and cooperation as we work to maintain and improve SH 550.
