

IMPROVING MORE THAN JUST ROADS

March 18, 2020

A message from CCRMA Executive Director, Pete Sepulveda, Jr.:

Due to the COVID-19 pandemic and the related orders given by our local, state, and federal officials, the CCRMA is taking precautionary measures to limit in-person interactions. Rather than visit the CCRMA's offices at this time, the CCRMA asks the public to call, or email for inquiries, as well as to pay your CCRMA bills online, over the phone, or through mail in payments. We hope to minimize the impact and will strive to keep our call and response times as short as possible for our customers, while taking whatever precautions deemed necessary to protect the health and safety of our customers and employees.

We encourage social distancing and, instead of attending the CCRMA's Board meetings for the time being, we urge our partners and the public to live stream our meeting <https://youtu.be/G3eggXFy6R8> or call (202) 602-1295, conference ID: 129 780 664# to participate in the open portions of the CCRMA's Board meetings. The next Board meeting will be held on March 19, 2020 at 12:00 p.m. CST.

The electronic copy of the agenda packet is available on our website www.ccrma.org

We are closely monitoring this situation and will continue to keep you informed as we update our actions as needed.
