

IMPROVING MORE THAN JUST ROADS

March 20, 2020

Considering COVID-19 (coronavirus) pandemic and the Center for Disease Control along with Cameron County Health Department recommendations, we will be providing service to our customers through direct phone support (956.621.5571) and Online (www.tpsccrma.org) via live chat services. If you have a question, please use the ring device to notify a customer service representative you are here, and we can assist you if staff is available onsite.

Your business is very important to us which is why we have offered ways for you to access our customer service center during this ongoing pandemic.

Thank you for being a loyal customer.
