The Meeting was called to order by Chairman Parker, at 12:00 Noon. At this time, the Board considered the following matters as per CCRMA Agenda posted on the CCRMA's website and physically at 3470 Carmen Avenue, Suite 5, Rancho Viejo, Texas. on this 22nd day of May 2020.

PUBLIC COMMENTS

1 PUBLIC COMMENTS

None.

ACTION ITEMS

2-A Consideration and Approval of Minutes for the March 19, 2020 Regular Meeting and the May 01, 2020 Regular Meeting.

Mr. Pete Sepulveda, Jr., RMA Executive Director went over the minutes and advised the Board that there were corrections for the May 01, 2020 minutes.

Director Esparza moved to approve the minutes subject to the changes on the May 01, 2020 minutes. The motion was seconded by Director Villegas and carried unanimously.

The Minutes are as follows:

2-B Acknowledgement of Claims

Mr. Victor Barron, RMA Controller went over the Claims and presented into the record.

Vice Chairman Scaief moved to approve the Claims as presented. The motion was seconded by Director Villegas and carried unanimously.

2-C Approval of Claims.

Mr. Victor Barron, RMA Controller went over the Claims and presented into the record.

Director Esparza moved to approve the Claims as presented. The motion was seconded by Secretary Nelson and carried unanimously.

The Claims are as follows:

2-D Consideration and Approval of the Financial Statements and Budget Amendments for the month of April 2020.

Mr. Victor Barron, RMA Controller went over the Financial Statements for April 2020 with the Board. Staff provided an update on revenues and toll collections. Staff advised the Board that they had gone through all line items in both the administrative budget and the tolls budget and that they had made some budget cuts to address the loss of revenues. Staff advised the Board that vehicle registration fees were down by 36% and toll transactions were down by 20%. Staff advised the Board that they would continue to monitor the expenses and revenues and make any other necessary changes.

Secretary Nelson moved to approve the Financial Statements for April 2020 as presented. The motion was seconded by Director Esparza and carried unanimously.

The Financial Statements are as follows:

2-E CCRMA Board Presentation on Internal Controls.

Mr. Victor Barron, RMA Controller went over a presentation with the Board regarding internal controls. The presentation was included in the Board packet and will be attached to the minutes.

Director Esparza moved to acknowledge the presentation on internal controls. The motion was seconded by Director Villegas and carried unanimously.

The Presentation is as follows:

2-F Consideration and Approval of an Amended Advance Funding Agreement and Resolution for the SH 550 Gap 2 Project and Authorization for Chairman Parker to sign Necessary Documents required by TxDOT associated with the Advance Funding Agreement.

Mr. Pete Sepulveda, Jr., RMA Executive Director went over the need and purpose for the amended Advance Funding Agreement.

Vice Chairman Scaief moved to approve the Amended Advance Funding Agreement. The motion was seconded by Director Esparza and carried as follows:

The Amended Advance Funding Agreement is as follows:

2-G Consideration and Approval of WA 05 with Halff Associates, Inc. to provide preliminary engineering services for development of design schematic and related services for Improvements to Whipple Road.

Mr. Pete Sepulveda, Jr., RMA Executive Director advised the board that this work authorization was for the environmental document and schematics for Whipple Road in the Los Fresnos area. Staff recommends final approval subject to final legal and TxDOT approval.

Secretary Nelson moved to approve Work Authorization 05 with Halff Associates, subject to final approval by Legal and TxDOT. The motion was seconded by Treasurer Villarreal and carried unanimously.

The Work Authorization is as follows:

2-H Consideration and Approval of WA 19 with S&B infrastructure to provide engineering services for the preparation of Plans, Specifications, & Estimates (PS&E) and Construction Management support services for the proposed roadway project East Loop.

Mr. Pete Sepulveda, Jr., RMA Executive Director advised the Board that a scope and fee had been negotiated with S&B Infrastructure. TxDOT approved the scope but were still reviewing the fee schedule. Staff recommends approval subject to final legal and Tx approval on the fee schedule.

Director Esparza moved to approve Work Authorization 19 with S&B Infrastructure, subject to final Legal and TxDOT approval. The motion was seconded by Secretary Nelson and carried unanimously.

The Work Authorization is as follows:

2-I Consideration and Approval of Amendment Number One to Master Services Agreement for Toll System Maintenance between Kapsch TrafficCom USA, Inc., and CCRMA.

Mr. Pete Sepulveda, Jr., RMA Executive Director advised the Board that the Maintenance Agreement with Kapsch expires on May 31, 2020. The 90-day extension will allow for the negotiation of a long term lease.

Vice Chairman Scaief moved to approve the Agreement. The motion was seconded by Director Villegas and carried unanimously.

The Agreement is as follows:

2 -J Discussion and Possible Action Regarding Status of CCRMA projects.

Pete Sepulveda, Jr., went over the status of CCRMA projects including, South Port Connector road, Veterans Bridge CBP POV project, East Loop, West Blvd., Morrison Road, Indiana Ave. and SH 550 Gap 2.

Director Esparza moved to acknowledge the update on the status of CCRMA projects. The motion was seconded by Director Villegas and carried unanimously.

2-K Consideration and Approval of Application for New Account with Gulf Coast Paper, Co.

Pete Sepulveda, Jr., advised the Board the application was a new credit application. Supplies will be personal protective equipment.

Vice Chairman Scaief moved to approve the credit application. The motion was seconded by Secretary Nelson and carried unanimously.

The Application is as follows:

2-L Acknowledgement that al CCRMA employees have completed a cybersecurity training course that has been certified by Department of Information Resources (DIR) to fulfill the requirements of HB 3834.

Pete Sepulveda, Jr., CCRMA Executive Director advised the Board that all staff had taken the training and presented the individual certificates for each employee.

Director Villegas moved to acknowledge that all employees took the cybersecurity training. The motion was seconded by Director Esparza and carried unanimously.

ADJOURNMENT

There being no further business to come before the Board and upon motion by Secretary Nelson and seconded by Director Esparza and carried unanimously the meeting was **ADJOURNED** at 12:54 P.M.

APPROVED this _____ day of _____ 2020.

CHAIRMAN FRANK PARKER, JR.

ATTESTED: _____
ARTURO A. NELSON, SECRETARY

**2-E CONSIDERATION AND APPROVAL TO OPEN MONEY MARKET
ACCOUNTS AT TEXAS REGIONAL BANK**

M E M O R A N D U M

TO: CCRMA Board of Directors

FROM: Victor J. Barron, Controller *VJB*

DATE: June 22, 2020

SUBJECT: Consideration and approval to open Money Market Accounts at Texas Regional Bank

We are considering opening two money market accounts for certificates of deposit that matured on June 8, 2020 in the amounts of \$1,016,731.76 and \$887,240.16. Bank of New York Mellon (BNY) is the trustee to the Vehicle Registration Fee Bonds Account numbers 701107 and 701112 that make up the two CD's. In addition, we would also like open two other money market accounts for the \$3.4 million being held in our Revenue Bond Debt Service Reserve Account numbers 525046 and 525043 with BNY. The following options are available to us through BNY trustee and Texas Regional Bank. Please review the options below:

Option 1: Certificate of Deposit

BNY offers the option to invest in certificates of deposit through partnering banks. The funds can be insured with FDIC if they are structured properly and in amounts of \$250,000 each. Attached is a list of the banks that BNY partners with offering these CD's (Attachment A). If the amount is over the FDIC limits, BNY does not collateralize securities, therefore the CCRMA would need to have each account insured with FDIC coverage to meet the investment policy requirements.

Option 2: Money Market Accounts

The other option available is to open money market accounts at Texas Regional Bank. The accounts can be insured with FDIC if they are structured properly in amounts of \$250,000 each. If the amounts are over the FDIC limits, the CCRMA would need to have each account insured with FDIC coverage to meet the investment policy requirements. Texas Regional Bank offers a higher interest rate than the certificates of deposits offered by BNY (Attachment B).

BNY charges a monthly \$75 fee for each account they reconcile outside of their investments. Assets held with another institution would have to be recognized on BNY's record keeping system. Each month BNY receives a statement from the third-party to confirm balances. This reconciling process is done to ensure that the trust indenture funds are properly recorded. Money market accounts at Texas Regional would be considered outside investments.

Good afternoon Mr. Barron,

Sorry about the delay, we can pay 1% on a Money Market Account, the CD rated would be .55%. Please let me know if you have any questions.

Thank you,

Cynthia Quintanilla

**2-F CONSIDERATION AND APPROVAL OF WA 06 WITH HALFF
ASSOCIATES, INC. TO PROVIDE ENGINEERING SERVICES
REQUIRED FOR THE DEVELOPMENT OF A MAINTENANCE ASSET
REPORT FOR SH 550**

WORK AUTHORIZATION

WORK AUTHORIZATION NO. 6

This Work Authorization is made as of this ____ day of _____, _____, under the terms and conditions established in the AGREEMENT FOR GENERAL CONSULTING ENGINEERING SERVICES, dated as of May 10, 2018 (the "Agreement"), between the Cameron County Regional Mobility Authority ("Authority") and Halff Associates, Inc. ("GEC"). This Work Authorization is made for the following purpose, consistent with the Services defined in the Agreement:

The work to be performed by the Engineer shall consist of providing corridor visual asset maintenance assessment engineering services for development of a Maintenance Asset Report for SH 550 from: IH69E to: SH48, a distance of approximately 10.0 miles in Cameron County, Texas.

Section A. - Scope of Services

A.1. GEC shall perform the following Services:

See Appendix A, Scope of Services

A.2. The following Services are not included in this Work Authorization, but shall be provided as Additional Services if authorized or confirmed in writing by the Authority. *No additional services.*

A.3. In conjunction with the performance of the foregoing Services, GEC shall provide the following submittals/deliverables (Documents) to the Authority:

Section B. - Schedule

GEC shall perform the Services and deliver the related Documents (if any) according to the following schedule:

Final report will be delivered to the CCRMA within 60 days of NTP.

Section C. - Compensation

C.1. In return for the performance of the foregoing obligations, the Authority shall pay to the GEC the amount not to exceed \$36,912.84, based on the attached fee estimate (*Appendix B*). Compensation shall be in accordance with the Agreement.

C.2. The Authority shall pay the GEC under the following acceptable payment method: lump sum compensation.

C.3. Compensation for Additional Services (if any) shall be paid by the Authority to the GEC according to the terms of a future Work Authorization.

Section D. - Authority's Responsibilities

The Authority shall perform and/or provide the following in a timely manner so as not to delay the Services of the GEC. Unless otherwise provided in this Work Authorization, the Authority shall bear all costs incident to compliance with the following:

Section E. - Other Provisions

The parties agree to the following provisions with respect to this specific Work Authorization: No other provisions.

Except to the extent expressly modified herein, all terms and conditions of the Agreement shall continue in full force and effect.

Appendix A – Scope of Services

SERVICES TO BE PROVIDED BY CCRMA

Subject to availability, the services to be provided or performed by CCRMA TxDOT will include, but not be limited to, the following items:

- Records available that would assist in the completion of the Maintenance Assessment and the support of inspection assessment services being provided.
- Data related to asset inventory on the corridor.
- Review of recommendations offered by the Engineer and approval or rejection of any or all work performed under this contract.
- Review of progress of work and final acceptance of all documents.
- Coordination as necessary with other agencies.
- Provide TxDOT bridge inspection reports for each bridge class structure in the corridor.
- Processing of all periodic payment requests submitted by Engineer.
- Submittal of documentation to regulatory agencies for review and comment when specified.
- Assistance as necessary in obtaining the required data and information from other local, regional, state, and federal agencies.
- Timely reviews of deliverables in accordance with the project schedule

SERVICES TO BE PROVIDED BY THE ENGINEER

The work to be performed by the Engineer shall consist of providing corridor visual asset maintenance assessment engineering services for development of a Maintenance Asset Report for SH 550 from: IH69E to: SH48, a distance of approximately 10.0 miles in Cameron County, Texas.

Maintenance certification shall be prepared in accordance with Title 23, Section 129, Cameron County Regional Mobility Authority, CCRMA.

The Engineer shall direct and coordinate the various elements and activities associated with this work authorization, including: project management, inspection services, reporting, QA/QC of deliverables, and billings.

TASK 1: FIELD INSPECTION: BY ASSET TYPE

The Engineer shall utilize data and reports provided by CCRMA and conduct field reconnaissance data collection as necessary to complete the assessment, by utilizing three-person field crew to measure, photo, and assess the following:

1. Pavement: assess and document pavement condition and maintenance activities and/or needs in relation to current service life
2. Bridge Class Structures: review TxDOT bridge inspection reports and assess field conditions in relation to said reports, document maintenance activities and/or needs
3. Drainage Structures: assess and document drainage structure condition and maintenance activities and/or needs in relation to desired performance
4. Roadside Safety Elements: assess and document roadside safety element condition and maintenance activities and/or needs in relation to desired performance, including night time visibility.
5. Signage: assess visually, not by use of reflectivity measurements, the condition and maintenance activation and/or needs in relation to desired performance
6. Pavement Markings: assess visually, not by use of reflectivity measurements, the condition and maintenance activation and/or needs in relation to desired performance
7. Geotechnical: assess slopes, erosion, and other geotechnical assets to evaluate general stability in relation to desired performance
8. Assets NOT Included: ITS and Tolling equipment, illumination, and other electrical assets

TASK 2: ENGINEERING REPORTING: BY ASSET TYPE

The Engineer shall compile results of the field reconnaissance and data collection into a report format necessary to address the maintenance findings.

1. Reporting: compile findings from the field assessment, to include photos, other documentation, recommendations, and/or findings

TASK 3: QA/QC & DELIVERABLES

The Engineer shall review and deliver:

1. SH 550 Maintenance Asset Report: to align with requirements set forth in the referenced governing regulation, to include a maintenance certification letter.

TASK 4: PROJECT MANAGEMENT

The Engineer shall direct and coordinate the various elements and activities associated with this work authorization, including: day-to-day project management and administration, monthly reporting and billing.

1 Background

1.1 Star Systems America

Star System America, LLC (SSA), is a Texas, USA based RFID hardware, tag, solution and services provider, specializing in UHF RFID-enabled vehicle identification, supply chain management, warehousing & logistics, retail, library management and healthcare applications. Working through an extensive network of value-added resellers and systems integrators, SSI provides a wide range of RFID hardware, professional consulting services and technical support.

1.2 Cameron County Regional Mobility Authority

Cameron County Regional Mobility Authority (CCRMA) was established in 2004 with objectives to reduce congestion, improve connectivity, and facilitate economic development within Cameron County in the State of Texas. CCRMA's projects include, among other things, international bridges, beach access points and a toll road. This infrastructure facilitates economic growth and creates jobs.

2 Scope

This report details the following work items outlined in the SOW:

1. Lane mapping
2. Reader configuration analysis
3. Reader performance analysis

2.1 Plazas

The following plazas were analysed as part of the SOW:

- Direct Connect NB
- Direct Connect SB
- Mainline NB
- Mainline SB
- Old Alice NB
- Old Alice SB
- Port Spur NB
- Port Spur SB

3 Lane Mapping

Lane mapping is a test procedure that captures a profile of the energy transmitted from the reader. This energy profile allows us to verify the following:

1. RF coverage of read-zone
2. Antenna position
3. Static reader performance

Specialized tools are used to capture the lane mapping energy profile in both the "Y" and "X" axis. The following diagram describes the mapping area from an overhead point of view:

Both the X and Y axis energy profiles were captured for each lane in each plaza described in section 2.1.

3.1 Lane Mapping Profile Description

Lane mapping relies on a concept called the “Minimum Activation Energy” (MAE). The MAE refers to the minimum amount of energy required to cause a transponder to respond to the interrogator. The amount of energy required for a transponder to respond is directly related to the read range of a transponder. The higher the MAE value, the shorter the read distance and the lower the MAE, the longer the read distance.

The plots shown in section 3.1 illustrate the relationship between the MAE and the position in the lane for both axes.

3.1.1 Y-Axis Example

The Y-axis plot is a side-view of the read-zone. Imagine a vehicle driving across the page from right to left.

Each line illustrates the energy profile for a specific lane in the plaza. As a vehicle enters the read-zone, it is far away from the transmitting antenna and requires more energy to activate the tag. As the vehicle moves closer to the antenna, less and less power is required to activate the tag. This is represented by the energy profile moving lower as the position decreases. Eventually, the vehicle will move past the antenna and the energy profile will increase for a short period until the vehicle completely departs the read-zone.

Energy required to activate tag

Position of transponder on the ground

3.1.2 X-Axis Example

The X-axis plot is a top-down view of the read zone. Imagine a vehicle driving from the bottom to the top of the page.

Each line illustrates the energy profile for a specific lane in the plaza. In the case of the X-axis plot, the lines represent the energy profile across the lane.

**Traffic
direction**

3.2 Lane Mapping Profiles

The following sections summarize the energy profiles for each plaza.

X-Axis

3.3 Lane Mapping Results Discussion

The results in section 3.2 show relatively consistent results across all plazas in terms of the general coverage pattern.

In the Y-axis, there is a 4.8 dB MAE differential between Old Alice SB and Main Line NB plazas. In the X-axis, there is a 6 dB MAE differential between the same plazas. In both cases, Old Alice SB is using significantly less energy to activate transponders in the read-zone.

This does not necessarily indicate a problem. There could be many reasons for this discrepancy ranging from different antenna heights to differences in cable lengths. In fact, Old Alice SB antenna is mounted 2.2' lower than Main Line NB. This would account for some of this discrepancy. These results will be used in conjunction with the Reader Performance Analytics section to determine a final recommendation.

3.3.1 Antenna Installation Height

Plaza/Lane	Height
Mainline SB – Lane 4	20.155'
Mainline SB – Lane 5	20.5'
Mainline NB – Lane 2	20.08'
Mainline NB – Lane 3	19.79'
Port Spur SB	17.76'
Port Spur NB	17.69'
Old Alice NB	18.195'
Old Alice SB	17.82'
Direct Connect NB – Lane 2	18.76'
Direct Connect NB – Lane 3	18.33'
Direct Connect SB – Lane 4	18.34'
Direct Connect SB – Lane 5	18.61'

4 Reader Configuration and Error Analysis

The RFID readers used in the CCRMA system contain as many as 200 configurable variables. This high degree of variability allows users to finely tune the RF performance of the system. On the other hand, this amount of variability makes it easy to inadvertently misconfigure the reader, leading to a degradation of RFID performance.

The configuration file from each reader in the CCRMA toll road system was captured and analyzed. This section provides details of this analysis.

In addition to reader configuration information, the readers also preserve a rich error log history of past error events. The error log from each reader was captured and analyzed

4.1 Configuration File Analysis Procedure

The procedure used to analyze the reader configuration files involves visually inspecting each file individually, followed by comparing the files to each other using a software “diff” tool. This tool allows us to easily see differences between individual files.

4.2 Configuration File Analysis Results

There was a high degree of variability between each configuration file, however; most of the differing variables do not impact operations at CCRMA. The following are notable exceptions:

Port Spur NB

- Protocol configuration is different than all other readers
- Frequency configuration is identical to Port Spur SB
- `modem.protocol.isoc.control.auto_mac.enable=true`

Port Spur SB

- Frequency configuration is identical to Port Spur NB

4.3 Error Log Analysis Procedure

The procedure used to analyze the reader error log involves visually inspecting each file individually for indications of serious or persistent error conditions. Less consideration is given to errors that happened in the distant past (greater than one month) as these errors were resolved by the time of the capture of the log file.

4.4 Error Log Analysis Results

Most of the errors indicated in the log files were relatively benign. The following readers showed errors that warrant some additional attention:

Mainline SB

- Lots of "iop_events_dropped" error events
- This is indicative of dropped communications between the reader and the host system. This is typically due to the host system not providing a sufficient TCP/IP socket buffer to handle the receipt of messages from the reader. This could lead to missed tag reads.

Port Spur NB

- "reader_enter_duty_cycle" error events
 - "Reader reaches duty_cycle_mid_temp limit"
- This error indicates that the internal temperature of the reader has reached the "mid_temp_limit". In other words, the reader is overheating.
- Once the "mid_temp_limit" has been reached the reader will start to "duty cycle" the transmitter. Normally, the transmitter is active 100% of the time. When the transmitter starts to "duty cycle" this means that the reader will turn the transmitter on and off quickly in an attempt to cool itself down. This will result in a reduction of reader performance, most notably the read rate will be diminished and, possibly, tags will be missed.

Port Spur SB

- "license_error" error events
 - "speed license not enabled"
- This error indicates that the "speed license" is not enabled in this reader. The "speed license" enables a feature in the reader that allows it to perform better when vehicles are traveling at high speed. If this feature is not enabled, it may lead to reduced tag read performance.

4.5 Discussion

Since these readers are installed in the same system, our expectation would be that all the parameters would be configured identically between all readers. There are a few exceptions to this, including:

- Power configuration
- Frequency
- DNS server, time servers

After analyzing the configuration files, it seems clear that many variables have been manipulated that do not need to be manipulated for this configuration. The most pressing are the following:

Plaza	Parameter
Port Spur NB	Protocol configuration
Port Spur NB	Frequency configuration
Port Spur SB	Frequency configuration

5 Reader Performance Analytics

The performance of an RF system can be analyzed by reviewing tag data captured by the reader. For this test, the following data were captured from each toll plaza:

- Total unique reads (handshakes) by protocol
- Total reads for each tag read
- Total time in field for each tag

Spreadsheets are provided for each plaza, as well as a summary spreadsheet that captures a side-by-side comparison of all plazas. These spreadsheets are provided as attachments to this report.

5.1 Results Analysis

The health of an RF tolling system can be assessed by the distribution of reads for each transponder. The number of times that a reader can read a tag as the tag transitions the read-zone can tell us a lot about how well that system is configured and how well tags are installed on vehicles in the population.

We would expect to see a normal distribution of reads for each protocol. In other words, some tags read less, some tags read more, but most tags will read about the same. A useful tool to look at the read distribution is the histogram. As an example, the following chart is a histogram of reads per protocol of system tags moving through Direct Connect NB for a 16-hour period:

Number of times the tag was read

In this chart, you can see that most of the ISOC tags read between 10 and 20 times and most of the ISOB_80k tags (TXDot) read between 5 and 10 times.

If most of the tags are reading an acceptable number of times and the shape of the distribution is normal, the configuration of the reader system is, generally, acceptable. Tags that are outliers in terms of low read-counts are, most likely, poorly placed on the vehicle, or have poor sensitivity.

5.2 Other Observations

This section discusses other observations that were noted during the performance analysis of the CCRMA system.

5.2.1 Non-System Tags

It was immediately obvious that the readers are reporting a significant number of non-system tags. A non-system tag is defined as a tag that is not used for the purpose of toll collection. Some examples of non-system tags are:

- Car wash
- Parking/access control
- Clubs

In some instances, the number of non-system tags rivals the number of tags being used for tolling.

After speaking with CCRMA, we determined that the majority of these non-system tags are used in the County Park system.

The problem with such a large population of non-system tags is that the readers must spend resources decoding these tags at the expense of decoding legitimate system tags. This can lead to an overall degradation of system performance.

Section 6 discusses a solution to this problem.

5.2.2 Invalid Tags

The analysis revealed a large number of what we characterize as “invalid” tags. An invalid tag is defined as a tag with an identifier that does not conform to a standard format or pattern.

Virtually all of the invalid tags were either ISOB_80k (TXDot) or ISO10374 (TXDot) tags. These tags do not have a very robust error checking mechanism, however; there seems to be a high rate of occurrence of invalid tags in this system.

All invalid tags are captured in the following files:

- DirectConnect_NB_12172019.inv
- DirectConnect_SB_12172019.inv
- Mainline_NB_12172019.inv
- Mainline_SB_12172019.inv
- OldAlice_NB_12172019.inv
- OldAlice_SB_12172019.inv
- Port_Spur_NB_12172019.inv
- Port_Spur_SB_12172019.inv

These files are included as attachments to this report.

From a system configuration point of view, there is not much that can be done to reduce the occurrence of invalid tags. Any improvement in this area must come from the reader supplier.

6 Recommendations

Based on the findings in this report we have the following recommendations:

6.1 Reader Configuration

It is important to apply a consistent reader configuration across all readers in your system. The most significant issue is with Port Spur NB which does not have the correct protocol configuration.

In addition, the errors outlined in section 4.4 needs to be resolved.

6.2 Frequency Plan

Port Spur SB and Port Spur NB are current configured with the same transmit frequency. Given their close proximity to each other, and the high data-rate of the reader configuration, these plazas should have a frequency separation of at least 1 MHz.

6.3 Select Command (ISOC Filter)

In section 5.2.1 we discussed the issue of non-system tags. An easy solution to this is to apply a "Select" command to the reader configuration. This is sometimes referred to as an ISOC filter.

When properly applied, a Select command will only permit legitimate system tags to respond to the reader Query command. This means that non-system tags will not "wake-up" when they are in the read zone and the reader will not have to spend resources to decode these tags. This feature is built into the ISOC protocol and is a very effective tool to help the reader focus on decoding system related tags and ignore non-system tags.

6.4 Performance

There is a clear difference in performance between the Mainline NB plaza and the Old Alice SB plaza. This is reflected in the read count histograms and can be seen in the lane mapping in section 3.2.9. The antennas for the Mainline NB plaza are installed ~2.26' higher than the antennas for the Old Alice SB. By lowering the Mainline NB antennas, we would expect to see an improvement in overall performance for this site.

Date	Version	Author	Comments
07/19/2019	1.0	S. Lockhart	Initial draft

2 Background

2.1 Star Systems America

Star System America, LLC (SSA), is a Texas, USA based RFID hardware, tag, solution and services provider, specializing in UHF RFID-enabled vehicle identification, supply chain management, warehousing & logistics, retail, library management and healthcare applications. Working through an extensive network of value-added resellers and systems integrators, SSI provides a wide range of RFID hardware, professional consulting services and technical support.

2.2 Cameron County Regional Mobility Authority

Cameron County Regional Mobility Authority (CCRMA) was established in 2004 with objectives to reduce congestion, improve connectivity, and facilitate economic development within Cameron County in the State of Texas. CCRMA's projects include, among other things, international bridges, beach access points and a toll road. This infrastructure facilitates economic growth and creates jobs.

2.3 Related Work

This statement of work (SOW) is based on the following proposal document dated July 13th, 2019:

CCRMA - RFID System Performance Analysis Proposal v1_0

3 Scope

This Statement of Work (SOW) is for consulting services provided by SSA to CCRMA. The goal of these services is to provide CCRMA with an independent and measurable analysis of the current health of their RFID sub-systems. The specific services to be performed are summarized as follows:

1. Lane mapping
2. Reader configuration analysis
3. Reader performance analysis

The remaining sections of this SOW detail the services above as well as deliverables for each service.

4 RFID System Performance Analysis

An RFID system includes the following elements:

1. RFID Interrogator/Reader
2. Antenna
3. Transponder

These elements work together to deliver data to higher level systems and business applications.

Each of these elements must be optimized to ensure the best possible performance of the overall system.

4.1 Lane Mapping

Lane mapping is a test procedure that captures a profile of the energy transmitted from the reader. This energy profile allows us to verify the following:

1. RF coverage of read-zone
2. Antenna position
3. Static reader performance

Once this profile has been captured, it can be preserved and used in the future.

During this procedure, portable test equipment will be physically placed on the road surface and measurements will be captured directly from the reader. During this time, the lane will be out of service.

4.1.1 Requirements

The following items are required for the lane mapping procedure:

1. One-hour lane closure of each lane that will be mapped.
2. Direct access to the LAN that the reader is connected to.

4.1.2 Deliverables

SSA will deliver to CCRMA a spreadsheet that captures the energy profile for each lane. This profile will include:

1. The distribution of energy in the read-zone in both the X and Y axis.
2. The minimum activation energy throughout the read-zone.
3. The read-range of a transponder throughout the read-zone.
4. Overlapping energy between adjacent lanes.
5. Recommendations to optimize system.

4.2 Reader Configuration Analysis

Modern RFID readers contain many configuration parameters. These parameters must be optimized to ensure the best possible performance of the overall system.

4.2.1 Requirements

CCRMA will either need to provide SSA access to the current RFID readers or provide SSA with the reader configuration and error files in order to complete this analysis.

4.2.2 Deliverables

SSA will provide a report summarizing the reader configuration and error condition. This report will also provide recommendations to CCRMA based on this analysis.

4.3 Reader Performance Analysis

Modern RFID readers can generate a significant amount of data that conveys the health of the RF system and performance of the RF communications between the reader and the transponder.

Analysing these data can help us understand if a system is performing as expected. From these data we can determine a variety of information about the transponders transitioning the read-zone

4.3.1 Requirements

CCRMA will either need to capture the data from the reader and send it to SSA for analysis or allow SSA to access the readers and capture the data directly. If the former, SSA will instruct CCRMA on the types and amount of data that needs to be captured.

4.3.2 Deliverables

SSA will deliver a report that captures the following details:

1. The total number and types of system and non-system transponders traveling in the lane.
2. A histogram of the read counts for each transponder protocol.
3. The number of under-performing vehicles.
4. Recommendations to optimize system.

The report will provide an analysis of how these data impact the ability of the system to properly capture transponder data.

5 Cost and Schedule

The following table describes the pricing proposal of the items described in section 4 of this document. The "Discount" column reflects a "new customer" reduction in the standard fees typically charged by SSA for this testing.

5.1 Pricing

Item	Standard Cost	Discount	CCRMA Cost
Lane Mapping (see section 6.1.1)	\$1,950/day	30%	\$1,365/day
Reader Configuration Analysis	\$750/plaza	30%	\$525/plaza
Reader Performance Analysis	\$750/plaza	30%	\$525/plaza

5.1.1 Lane Mapping

The cost listed in section 5.1 includes two SSA engineers. Each lane will require 1 hour of data collection time after the closure. The number of days required to complete these measurements will depend on the number of lanes and the amount of time that it takes to travel between test sites.

5.2 Travel and Expenses

CCRMA will be responsible for any travel and expenses related to the items described in section 6.1. The only expected travel will be for Lane Mapping. This will include travel, meals and lodging for two SSA Engineers.

6 Key Assumptions

1. This SOW is not a legally binding contract.
2. Once the items in described in section 4 of this document have been delivered, SSA will have no obligations with respect to this SOW.
3. CCRMA will be responsible for and will bear all costs pertaining to the closure of lanes.
4. CCRMA will be responsible for and will bear all costs pertaining to the collection of data from readers.
5. CCRMA will provide access to the reader for the purpose of collecting configuration and performance data.
6. SSA will assist CCRMA in communicating the results of these analysis to third party organizations.

7 Acceptance

The client named below verifies that the terms of this Statement of Work are acceptable. The parties hereto are each acting with proper authority by their respective companies. Acceptance of this SOW is not a binding contract.

PROMISSORY NOTE

(Commercial - Revolving Draw)

RENEWAL NOTE

DATE AND PARTIES. The date of this Promissory Note (Note) is May 10, 2020. The parties and their addresses are:

LENDER:

TEXAS REGIONAL BANK
1801 SOUTH McCOLL ROAD
McALLEN, TX 78503
Telephone: (956) 682-2265

BORROWER:

CAMERON COUNTY REGIONAL MOBILITY AUTHORITY
a Texas POLITICAL SUBDIVISION
3461 CARMEN AVE
RANCHO VIEJO, TX 78575

1. DEFINITIONS. As used in this Note, the terms have the following meanings:

- A. Pronouns.** The pronouns "I," "me," and "my" refer to each Borrower signing this Note and each other person or legal entity (including guarantors, endorser, and sureties) who agrees to pay this Note. "You" and "Your" refer to the Lender, any participants or syndicators, successors and assigns, or any person or company that acquires an interest in the Loan.
- B. Note.** Note refers to this document, and any extensions, renewals, modifications and substitutions of this Note.
- C. Loan.** Loan refers to this transaction generally, including obligations and duties arising from the terms of all documents prepared or submitted for this transaction such as applications, security agreements, disclosures or notes, and this Note.
- D. Loan Documents.** Loan Documents refer to all the documents executed as a part of or in connection with the Loan.
- E. Property.** Property is any property, real, personal or intangible, that secures my performance of the obligations of this Loan.
- F. Percent.** Rates and rate change limitations are expressed as annualized percentages.
- G. Dollar Amounts.** All dollar amounts will be payable in lawful money of the United States of America.

2. RENEWAL. This Note is a renewal of the following described note:

Note Date	Note Number	Note Amount
May 10, 2019	# 101140087	\$2,000,000.00

I have requested that the note listed in the table above be renewed. The remaining balance of the note listed in the table above is \$0.00.

3. PROMISE TO PAY. For value received, I promise to pay you or your order, at your address, or at such other location as you may designate, amounts advanced from time to time under the terms of this Note up to the maximum outstanding principal balance of **\$2,000,000.00 (Principal)**, plus interest from the date of disbursement, on the unpaid outstanding Principal balance until this Note is paid in full and you have no further obligations to make advances to me under the Loan.

I may borrow up to the Principal amount more than one time.

All advances made will be made subject to all other terms and conditions of the Loan.

4. INTEREST. Interest will accrue on the unpaid Principal balance of this Note at the rate of **3.700 percent (Interest Rate)**.

- A. Post-Maturity Interest.** After maturity or acceleration, interest will accrue on the unpaid Principal balance of this Note at the Interest Rate in effect from time to time, until paid in full.
- B. Maximum Interest Amount.** Any amount assessed or collected as interest under the terms of this Note will be limited to the maximum lawful amount of interest allowed by applicable law. Amounts collected in excess of the maximum lawful amount will be applied first to the unpaid Principal balance. Any remainder will be refunded to me.
- C. Statutory Authority.** The amount assessed or collected on this Note is authorized by the Texas usury laws under Tex. Fin. Code, Ch. 303. The provisions of Tex. Fin. Code, Ch. 346 do not apply to this Note.
- D. Accrual.** Interest accrues using an Actual/360 days counting method.

5. REMEDIAL CHARGES. In addition to interest or other finance charges, I agree that I will pay these additional fees based on my method and pattern of payment. Additional remedial charges may be described elsewhere in this Note.

A. Late Charge. If a payment is more than **10** days late, I will be charged **5.000** percent of the Amount of Payment. I will pay this late charge promptly but only once for each late payment.

6. GOVERNING AGREEMENT. This Note is further governed by the Commercial Loan Agreement executed between you and me as a part of this Loan, as modified, amended or supplemented. The Commercial Loan Agreement states the terms and

CAMERON COUNTY REGIONAL MOBILITY AUTHORITY
Texas Promissory Note

Wolters Kluwer Financial Services ©1996, 2020 Bankers Systems™

Page 1

conditions of this Note, including the terms and conditions under which the maturity of this Note may be accelerated. When I sign this Note, I represent to you that I have reviewed and am in compliance with the terms contained in the Commercial Loan Agreement.

7. PAYMENT. I agree to pay all accrued interest on the balance outstanding from time to time in regular payments beginning June 10, 2020, then on the same day of each month thereafter. A final payment of the entire unpaid outstanding balance of Principal and interest will be due May 10, 2021.

Payments will be rounded to the nearest \$.01. With the final payment I also agree to pay any additional fees or charges owing and the amount of any advances you have made to others on my behalf. Payments scheduled to be paid on the 29th, 30th or 31st day of a month that contains no such day will, instead, be made on the last day of such month.

Interest payments will be applied first to any charges I owe other than late charges, then to accrued, but unpaid interest, then to late charges. Principal payments will be applied first to the outstanding Principal balance, then to any late charges. If you and I agree to a different application of payments, we will describe our agreement on this Note. The actual amount of my final payment will depend on my payment record.

8. PREPAYMENT. I may prepay this Loan in full or in part at any time. Any partial prepayment will not excuse any later scheduled payments until I pay in full.

9. LOAN PURPOSE. The purpose of this Loan is RENEW REVOLVING LINE OF CREDIT #101140087 TO ASSIST WITH CONSTRUCTION CASH FLOW CYCLE.

10. LIMITATIONS ON CROSS-COLLATERALIZATION. The cross-collateralization clause on any existing or future loan, but not including this Line of Credit, is void and ineffective as to this Line of Credit, including any extension or refinancing.

The Line of Credit is not secured by a previously executed security instrument if a non-possessory, non-purchase money security interest is created in "household goods" in connection with a "consumer loan," as those terms are defined by federal law governing unfair and deceptive credit practices. The Line of Credit is not secured by a previously executed security instrument if you fail to fulfill any necessary requirements or fail to conform to any limitations of the Real Estate Settlement Procedures Act, (Regulation X), that are required for loans secured by the Property or if, as a result, the other debt would become subject to Section 670 of the John Warner National Defense Authorization Act for Fiscal Year 2007.

The Line of Credit is not secured by a previously executed security instrument if you fail to fulfill any necessary requirements or fail to conform to any limitations of the Truth in Lending Act, (Regulation Z), that are required for loans secured by the Property.

11. WAIVERS AND CONSENT. To the extent not prohibited by law, I waive protest, presentment for payment, demand, notice of acceleration, notice of intent to accelerate and notice of dishonor.

A. Additional Waivers By Borrower. In addition, I, and any party to this Note and Loan, to the extent permitted by law, consent to certain actions you may take, and generally waive defenses that may be available based on these actions or based on the status of a party to this Note.

(1) You may renew or extend payments on this Note, regardless of the number of such renewals or extensions.

(2) You may release any Borrower, endorser, guarantor, surety, accommodation maker or any other co-signer.

(3) You may release, substitute or impair any Property securing this Note.

(4) You, or any institution participating in this Note, may invoke your right of set-off.

(5) You may enter into any sales, repurchases or participations of this Note to any person in any amounts and I waive notice of such sales, repurchases or participations.

(6) I agree that any of us signing this Note as a Borrower is authorized to modify the terms of this Note or any instrument securing, guarantying or relating to this Note.

B. No Waiver By Lender. Your course of dealing, or your forbearance from, or delay in, the exercise of any of your rights, remedies, privileges or right to insist upon my strict performance of any provisions contained in this Note, or any other Loan Document, shall not be construed as a waiver by you, unless any such waiver is in writing and is signed by you.

12. COMMISSIONS. I understand and agree that you (or your affiliate) will earn commissions or fees on any insurance products, and may earn such fees on other services that I buy through you or your affiliate.

13. APPLICABLE LAW. This Note is governed by the laws of Texas, the United States of America, and to the extent required, by the laws of the jurisdiction where the Property is located, except to the extent such state laws are preempted by federal law. In the event of a dispute, the exclusive forum, venue and place of jurisdiction will be in Texas, unless otherwise required by law.

14. JOINT AND SEVERAL LIABILITY AND SUCCESSORS. My obligation to pay the Loan is independent of the obligation of any other person who has also agreed to pay it. You may sue me alone, or anyone else who is obligated on the Loan, or any number of us together, to collect the Loan. Extending the Loan or new obligations under the Loan, will not affect my duty under the Loan and I will still be obligated to pay the Loan. This Note shall inure to the benefit of and be enforceable by you and your successors and assigns and shall be binding upon and enforceable against me and my successors and assigns.

15. AMENDMENT, INTEGRATION AND SEVERABILITY. This Note may not be amended or modified by oral agreement. No amendment or modification of this Note is effective unless made in writing. This Note and the other Loan Documents are the complete and final expression of the agreement. If any provision of this Note is unenforceable, then the unenforceable provision will be severed and the remaining provisions will still be enforceable. No present or future agreement securing any other debt I owe you will secure the payment of this Loan if, with respect to this loan, you fail to fulfill any necessary requirements or fail to conform to any limitations of the Truth in Lending Act (Regulation Z) or the Real Estate Settlement Procedures Act (Regulation X) that are required for loans secured by the Property or if, as a result, this Loan would become subject to Section 670 of the John Warner National Defense Authorization Act for Fiscal Year 2007.

16. INTERPRETATION. Whenever used, the singular includes the plural and the plural includes the singular. The section headings are for convenience only and are not to be used to interpret or define the terms of this Note.

17. NOTICE, FINANCIAL REPORTS AND ADDITIONAL DOCUMENTS. Unless otherwise required by law, any notice will be given by delivering it or mailing it by first class mail to the appropriate party's address listed in the DATE AND PARTIES section, or to any other address designated in writing. Notice to one Borrower will be deemed to be notice to all Borrowers. I will inform you in writing of any change in my name, address or other application information. I agree to sign, deliver, and file any additional documents or certifications that you may consider necessary to perfect, continue, and preserve my obligations under this Loan and to confirm your lien status on any Property. Time is of the essence.

18. CREDIT INFORMATION. I agree to supply you with whatever information you reasonably feel you need to decide whether to continue this Loan. You will make requests for this information without undue frequency, and will give me reasonable time in which to supply the information.

19. ERRORS AND OMISSIONS. I agree, if requested by you, to fully cooperate in the correction, if necessary, in the reasonable discretion of you of any and all loan closing documents so that all documents accurately describe the loan between you and me. I agree to assume all costs including by way of illustration and not limitation, actual expenses, legal fees and marketing losses for failing to reasonably comply with your requests within thirty (30) days.

THIS WRITTEN LOAN AGREEMENT REPRESENTS THE FINAL AGREEMENT BETWEEN THE PARTIES AND, TO THE EXTENT PERMITTED BY LAW, MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS, OR SUBSEQUENT ORAL AGREEMENTS OF THE PARTIES.

THERE ARE NO UNWRITTEN ORAL AGREEMENTS BETWEEN THE PARTIES.

20. SIGNATURES. By signing, I agree to the terms contained in this Note. I also acknowledge receipt of a copy of this Note.

Whereas, LENDER and all parties constituting BORROWER executed COMMERCIAL LOAN AGREEMENT DATED SEPTEMBER 14, 2016, FIRST AMENDMENT TO COMMERCIAL LOAN AGREEMENT DATED MAY 10, 2018 AND SECOND AMENDMENT TO COMMERCIAL LOAN AGREEMENT DATED MAY 10, 2019 (AGREEMENT).

Whereas, BORROWER and LENDER hereto desire to amend the AGREEMENT.

Now, therefore, in consideration of the AGREEMENT, and their mutual covenants herein, BORROWER and LENDER agree as follows:

1. Terms, which are typed herein as all capitalized words and are not defined herein shall have the same meanings as when described in the AGREEMENT.
2. THE MATURITY DATE OF THE COMMERCIAL LOAN AGREEMENT IS HEREIN AMENDED TO MAY 10, 2021
3. BORROWER certifies by its execution hereof that all of the representations and warranties set forth in the AGREEMENT are true as of this date, and that no EVENT OF DEFAULT under the AGREEMENT, and no event which, with the giving of notice or passage of time or both, would become such an EVENT OF DEFAULT, has occurred as of execution hereof, except as disclosed to LENDER.
4. Except as herein amended, the AGREEMENT continues to be the valid, binding obligation of BORROWER.

All terms and conditions of the AGREEMENT not affected or amended by this AMENDMENT are hereby ratified and confirmed.

IN WITNESS WHEREOF, this AMENDMENT has been executed by the parties hereto on the day and year first above written.

**2-I CONSIDERATION AND APPROVAL OF LEASE AGREEMENT BETWEEN
THE CAMERON COUNTY REGIONAL MOBILITY AUTHORITY
AND AGC SOLUTIONS, LLC**

Lease between

Cameron County Regional Mobility Authority,
as Tenant

and

AGC Solutions, LLC,
as Landlord

LEASE AGREEMENT

This Lease Agreement ("**Lease**") is entered into effective as of _____, 2020, by and between the Cameron County Regional Mobility Authority, a political subdivision of the State of Texas ("**Tenant**"), and AGC Solutions, LLC, a Texas limited liability company ("**Landlord**").

ARTICLE 1. DEFINITIONS

§1.01. "Agent" means agents, contractors, employees, licensees, and, to the extent under the control of the principal, invitees.

§1.02. "Essential Services" means the following services: (a) air-conditioning and heating to the Premises reasonable for the Permitted Use, (b) hot and cold water for lavatory and drinking purposes, (c) electric current for normal office machines and the Building's standard lighting reasonable for the Permitted Use, and (d) lighting in Common Areas and fluorescent lights in the Building's standard light fixtures on the Premises.

§1.03. "Injury" means (a) harm to or impairment or loss of property or its use, (b) harm to or death of a person, or (c) "personal and advertising injury" as defined in the form of liability insurance Tenant is required to maintain.

§1.04. "Rent" means Base Rent plus any other amounts of money payable by Tenant to Landlord.

ARTICLE 2. DEMISE OF LEASED PREMISES

§2.01. In consideration of the mutual covenants and agreements of this Lease, and other good and valuable consideration, Landlord demises and leases to Tenant, and Tenant leases from Landlord, that certain real property and improvements generally located at 3470 Carmen Avenue, Units B3, B4, B5, B6, and B7, Rancho Viejo, Cameron County, Texas 78575 (the "**Premises**").

§2.02. Tenant is to have and to hold the Premises, together with all rights, privileges, easements, appurtenances, and immunities belonging to or in any way appertaining to them, including but not limited to any easements, rights, title, and privileges of Landlord, existing now or at any time during the lease term, in, to, or under adjacent parking lots, streets, sidewalks, alleys, party walls, and property contiguous to the Premises and reversions that may later accrue to Landlord as owner of the Premises by reason of the closing of any parking lots, street, sidewalk, or alley.

ARTICLE 3. LEASE TERM

§3.01. The term of this Lease is for five (5) years and such term commenced as of _____, 2020 (the "**Commencement Date**") and expires at 11:59 o'clock P.M. on the day immediately before the fifth (5th) anniversary of the first (1st) day of the first

(1st) full calendar month following the Commencement Date, unless terminating sooner as provided in this Lease (the "**Term**").

ARTICLE 4. RENT AND SECURITY DEPOSIT

§4.01. **Base Rent.** During the Term of this Lease while this Lease is still in full force and effect, Landlord and Tenant agree that Tenant shall pay Landlord monthly installments of rent in the amount of **FOUR THOUSAND FOUR HUNDRED SIXTY AND NO/100 DOLLARS (\$4,460.00)** (the "**Monthly Rent**"). All Monthly Rent is due and payable each month in advance on the first day of each month to Landlord by delivering or mailing it to Landlord's address set forth herein, or to such other address or in such other manner as Landlord from time to time specifies by written notice to Tenant.

§4.02. **Security Deposit.** A Security Deposit in the amount of \$1,750.00 shall be required of Tenant upon execution of this Lease as security for Tenant's fully and faithfully performing the terms of this Lease. Landlord currently has Tenant's Security Deposit in the amount of \$1,750.00 for the immediately prior lease concerning the Premises and Tenant agrees that Landlord may retain such funds and treat such funds as Tenant's Security Deposit under this Lease. An inspection of the Premises shall be conducted prior to occupancy and upon termination of this Lease. Landlord shall conduct the inspection, but Tenant shall be permitted to have a representative present. Tenant shall return the Premises in the same condition as Tenant received them ordinary wear and tear excepted.

In the event that the Premises are not returned in the proper condition as defined above, Landlord shall have the right to use any or all of the deposit to restore the condition of the items in question. Landlord may apply all or any part of the deposit to cure any default of Tenant under this Lease. In that event, Tenant must deposit with Landlord the amount applied to cure its default immediately on notice from Landlord of the nature and amount of the application.

If Landlord transfers its interest in the Premises during the lease term, it may either: (a) return the deposit to Tenant, minus any deductions made under the preceding paragraph and not replaced by Tenant; or (b) transfer the deposit, minus any deductions made under the preceding paragraph and not replaced by Tenant, to Landlord's successor in interest. If Landlord transfers all or any portion of the deposit under this section, on transfer Landlord will be relieved of all rights and obligations with regard to the deposit, and all of these rights and obligations will accrue to, and be binding on, the transferee. Landlord must give Tenant notice of any such transfer, including the name and address of the transferee and the amount transferred.

ARTICLE 5. USE OF PREMISES **Permitted and Prohibited Use of Premises**

§5.01. Tenant may use the Premises solely for the purpose of local governmental offices (the "**Permitted Use**"), unless Landlord shall provide Tenant with prior written consent for a different use or Landlord provides consent to an assignment or sublease of

any portion of the Premises. The use of the Premises under any such approved assignment or sublease shall also constitute a Permitted Use.

ARTICLE 6. TAXES

Payment by Landlord

§6.01. Landlord shall be liable for all ad valorem taxes attributable to the Premises and any taxes levied or assessed against personal property, furniture, or fixtures placed by Landlord on the Premises. Landlord acknowledges that the Tenant is a public entity and is exempt from taxes, general and special assessments, and other charges of any kind levied on or assessed against the Premises and all interests in the Premises and all improvements and other property on them during the Term, whether belonging to Landlord or to Tenant.

ARTICLE 7. UTILITIES

§7.01. Tenant will pay or cause to be paid all charges for water, heat, gas, electricity, sewers, and all other utilities used on the Premises throughout the Term, including any connection fees.

ARTICLE 8. TENANT'S OBLIGATIONS

§8.01. Tenant agrees to:

- a. Lease the Premises for the entire Term beginning on the Commencement Date and ending on the Termination Date.
- b. Accept the Premises in their present condition "AS IS," the Premises being currently suitable for the Permitted Use.
- c. Obey (i) all laws relating to Tenant's use, maintenance of the condition, and occupancy of the Premises and Tenant's use of any common areas and (ii) any requirements imposed by utility companies serving or insurance companies covering the Premises.
- d. Pay monthly, in advance, on the first day of the month, the Base Rent to Landlord at Landlord's Address.
- e. Obtain and pay for all utility services used by Tenant and not provided by Landlord.
- f. Pay Tenant's Pro Rata Share of any utility services provided by Landlord.
- g. Allow Landlord to enter the Premises to perform Landlord's obligations, inspect the Premises, and show the Premises to prospective purchasers or tenants.

- h. Repair, replace, and maintain any part of the Premises that Landlord is not obligated to repair, replace, or maintain, normal wear excepted.
- i. Submit in writing to Landlord any request for repairs, replacement, and maintenance that are the obligations of Landlord.
- j. Vacate the Premises on the last day of the Term unless this Lease is otherwise amended or terminated.

§8.02. Tenant agrees not to:

- a. Subject to section 5.01, use the Premises for any purpose other than the Permitted Use.
- b. Create a nuisance.
- c. Use the Premises in any way that would increase insurance premiums or void insurance on the Premises.
- d. Change Landlord's lock system.
- e. Assign this lease or sublease any portion of the Premises without Landlord's written consent.

ARTICLE 9. LANDLORD'S OBLIGATIONS

§9.01. Landlord agrees to:

- a. Lease to Tenant the Premises for the entire Term beginning on the Commencement Date and ending on the Termination Date.
- b. Obey all laws relating to Landlord's operation of the Premises.
- c. Provide the Essential Services.
- d. Repair, replace, and maintain the (i) roof, (ii) foundation, (iii) common areas, (iv) structural soundness of the exterior walls, doors, corridors, and windows, and (v) other structures or equipment.
- e. Return the Security Deposit to Tenant, less itemized deductions, if any, on or before the sixtieth day after the date Tenant surrenders the Premises.
- f. Reasonably provide consent to Tenant's proposed assignment or sublease of any portion of the Premises.

§9.02. Landlord agrees not to:

- a. Interfere with Tenant's possession of the Premises as long as Tenant is not in default.
- b. Unreasonably withhold consent to a proposed assignment or sublease.

ARTICLE 10. GENERAL PROVISIONS

§10.01. *Alterations.* Any physical additions or improvements to the Premises made by Tenant will become the property of Landlord. Landlord may require that Tenant, at the end of the Term and at Tenant's expense, remove any physical additions and improvements, repair any alterations, and restore the Premises to the condition existing at the Commencement Date, normal wear excepted.

§10.02. *Abatement.* Tenant's covenant to pay Rent and Landlord's covenants are independent.

§10.03. *Release of Claims/Subrogation.* **LANDLORD AND TENANT RELEASE EACH OTHER, AND THEIR RESPECTIVE AGENTS, FROM ALL CLAIMS OR LIABILITIES FOR DAMAGE TO THE PREMISES, DAMAGE TO OR LOSS OF PERSONAL PROPERTY WITHIN THE PREMISES, AND LOSS OF BUSINESS OR REVENUES THAT ARE COVERED BY THE RELEASING PARTY'S PROPERTY INSURANCE OR THAT WOULD HAVE BEEN COVERED BY THE REQUIRED INSURANCE IF THE PARTY FAILS TO MAINTAIN THE PROPERTY COVERAGES REQUIRED BY THIS LEASE. THE PARTY INCURRING THE DAMAGE OR LOSS WILL BE RESPONSIBLE FOR ANY DEDUCTIBLE OR SELF-INSURED RETENTION UNDER ITS PROPERTY INSURANCE. LANDLORD AND TENANT WILL NOTIFY THE ISSUING PROPERTY INSURANCE COMPANIES OF THE RELEASE SET FORTH IN THIS PARAGRAPH AND WILL HAVE THE PROPERTY INSURANCE POLICIES ENDORSED, IF NECESSARY, TO PREVENT INVALIDATION OF COVERAGE. THIS RELEASE WILL NOT APPLY IF IT INVALIDATES THE PROPERTY INSURANCE COVERAGE OF THE RELEASING PARTY. THE RELEASE IN THIS PARAGRAPH WILL APPLY EVEN IF THE DAMAGE OR LOSS IS CAUSED IN WHOLE OR IN PART BY THE ORDINARY NEGLIGENCE OR STRICT LIABILITY OF THE RELEASED PARTY OR ITS AGENTS BUT WILL NOT APPLY TO THE EXTENT THE DAMAGE OR LOSS IS CAUSED BY THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF THE RELEASED PARTY OR ITS AGENTS.**

§10.04. *Casualty/Total or Partial Destruction*

- a. If the Premises are damaged by casualty and can be restored within ninety days, Landlord will, at its expense, restore the roof, foundation, and structural soundness of the exterior walls of the Premises and any leasehold improvements within the Premises that are not within Tenant's Rebuilding Obligations to substantially the same condition that existed before the casualty and Tenant will, at its expense, be responsible for replacing any of its damaged furniture, fixtures, and personal property and performing Tenant's Rebuilding Obligations. If Landlord fails to complete the portion of the restoration for which Landlord is responsible within ninety days from the date of written notification by Tenant to Landlord of the casualty, Tenant may terminate this lease by written notice to Landlord before Landlord completes Landlord's restoration obligations.
- b. If Landlord cannot complete the portion of the restoration for which Landlord is responsible within ninety days, Landlord has an option to restore the Premises. If Landlord chooses not to restore, this lease will terminate. If Landlord chooses to restore, Landlord will notify Tenant in writing of the estimated time to restore and give Tenant an option to terminate this lease by notifying Landlord in writing within ten days from receipt of Landlord's estimate. If Tenant does not notify Landlord timely of Tenant's election to terminate this lease, the lease will continue and Landlord will restore the Premises as provided in section 10.04(a) above.
- c. To the extent the Premises are untenantable after the casualty, the Rent will be adjusted as may be fair and reasonable.

§10.05. *Condemnation/Substantial or Partial Taking*

- a. If the Premises cannot be used for the purposes contemplated by this lease because of condemnation or purchase in lieu of condemnation, this lease will terminate.
- b. If there is a condemnation or purchase in lieu of condemnation and this lease is not terminated, Landlord will, at Landlord's expense, restore the Premises, and the Rent payable during the unexpired portion of the Term will be adjusted as may be fair and reasonable.
- c. Tenant will have no claim to the condemnation award or proceeds in lieu of condemnation.

§10.06. *Default by Landlord/Events.* Defaults by Landlord are failing to comply with any provision of this lease within thirty (30) days after written notice and failing to provide Essential Services to Tenant within ten days after written notice.

§10.07. *Default by Landlord/Tenant's Remedies.* Tenant's remedies for Landlord's default are to sue for damages or specific performance and, if Landlord does not provide an Essential Service for thirty days after default, terminate this lease.

§10.08. *Default by Tenant/Events.* Defaults by Tenant are (a) failing to timely pay Rent, (b) abandoning the Premises or vacating a substantial portion of the Premises, and (c) failing to comply within thirty (30) days after written notice with any provision of this lease other than the defaults set forth in (a) and (b).

§10.09. *Default by Tenant/Landlord's Remedies.* Landlord's remedies for Tenant's default are to (a) enter and take possession of the Premises and sue for Rent as it accrues; (b) enter and take possession of the Premises, after which Landlord may relet the Premises on behalf of Tenant and receive the Rent directly by reason of the reletting, and Tenant agrees to reimburse Landlord for any expenditures made in order to relet; (c) enter the Premises and perform Tenant's obligations; and (d) terminate this lease by written notice.

§10.10. *Default/Waiver.* It is not a waiver of default if the nondefaulting party fails to declare immediately a default or delays in taking any action. Pursuit of a remedy does not preclude pursuit of another remedy.

§10.11. *Mitigation.* Landlord has mitigated the loss of rent if Landlord, within thirty days after Tenant's loss of possession, (a) places a "For Lease" sign at the Premises, (b) places the Premises on Landlord's inventory of properties for lease, (c) makes Landlord's inventory available to area brokers on a monthly basis, (d) advertises the Premises for lease in a suitable trade journal in the county in which the Premises are located, and (e) shows the Premises to prospective tenants who request to see it.

§10.12. *Holdover.* If Tenant does not vacate the Premises following termination of this lease, Tenant will become a tenant at will and must vacate the Premises on receipt of notice from Landlord. No holding over by Tenant, whether with or without the consent of Landlord, will extend the Term.

§10.13. *Attorney's Fees.* If either party retains an attorney to enforce this lease, the party prevailing in litigation is entitled to recover reasonable attorney's fees and other fees and court and other costs.

§10.14. *Venue.* Exclusive venue is in Cameron County, Texas, in which the Premises are located.

§10.15. *Entire Agreement.* This Lease constitutes the entire agreement of the parties concerning the lease of the Premises by Landlord to Tenant. There are no

representations, warranties, agreements, or promises pertaining to the Premises or the lease of the Premises by Landlord to Tenant, and Tenant is not relying on any statements or representations of any agent of Landlord, that are not in this Lease.

§10.16. *Amendment of Lease.* This Lease may be amended only by an instrument in writing signed by Landlord and Tenant.

§10.17. *Notices.* Any notice required or permitted under this Lease must be in writing. Any notice required by this lease will be deemed to be given (whether received or not) the earlier of receipt or three business days after being deposited with the United States Postal Service, postage prepaid, certified mail, return receipt requested, and addressed to the intended recipient at the address shown in this lease. Notice may also be given by regular mail, personal delivery, courier delivery, or e-mail and will be effective when received. Any address for notice may be changed by written notice given as provided herein.

- a. All payments, notices, demands, or requests from Tenant to Landlord should be mailed to Landlord at 300 Tesoro Avenue, Rancho Viejo, Texas 78575 or at such other address as Landlord requests in writing.
- b. All payments, notices, demands, or requests from Landlord to Tenant should be mailed to Tenant at 3461 Carmen Avenue, Rancho Viejo, Texas 78575 with a copy to Rentfro, Irwin & Irwin, PLLC, Attn: David F. Irwin, 1650 Paredes Line Road, Suite 102, Brownsville, Texas 78521.

§10.18. *Use of Common Areas.* Tenant will have the nonexclusive right to use the Common Areas subject to any reasonable rules and regulations that Landlord may prescribe.

§10.19. *Abandoned Property.* Landlord may retain, destroy, or dispose of any property left on the Premises at the end of the Term.

ARTICLE 11. PURCHASE OPTION AND RIGHT OF FIRST REFUSAL

Purchase Option

§11.01. In consideration of the amount of \$100.00 paid by Tenant to Landlord upon execution of this Lease (the “**Option Fee**”), the receipt and sufficiency of which is hereby acknowledged by Landlord, Landlord hereby grants to Tenant the exclusive and irrevocable option to purchase the Premises (the “**Purchase Option**”), on the following terms and conditions:

- a. On any date following thirty (30) days after Tenant delivers written notice to Landlord of Tenant’s intent to exercise this Purchase Option (the “**Option Exercise Notice**”); and,

- b. Upon the Landlord's receipt of the Purchase Price (as defined below).

§11.02. The Purchase Price for Premises pursuant to the Purchase Option shall be the following:

- a. As soon as practicable following the delivery of the Option Exercise Notice, the Landlord and the Tenant shall select a mutually acceptable Independent Appraiser (as defined below), to determine the fair market value of the Premises, appraised as local governmental offices. In the event that the parties are unable to agree upon an Independent Appraiser within fifteen (15) business days following the date of delivery of the Option Exercise Notice, the Landlord and the Tenant shall each select an Independent Appraiser within the next succeeding five (5) business days. If either party fails to select an Independent Appraiser within such time period, the determination of the other Independent Appraiser shall control. If the difference between the Appraised Fair Market Values set forth in the two appraisals is not more than ten percent (10%) of the Appraised Fair Market Value set forth in the lower of the two appraisals, the fair market value for purposes of this section shall be the average of the two appraisals. If the difference between the two appraisals is greater than ten percent (10%) of the lower of the two appraisals, then the two Independent Appraisers shall jointly select a third Independent Appraiser whose determination of Appraised Fair Market Value shall be deemed to be binding on all parties as long as the third determination is between the other two determinations. If the third determination is either lower or higher than both of the other two appraisers, then the average of all three appraisals shall be the Appraised Fair Market Value for purposes of this section. The Landlord and the Tenant shall each pay one-half of the fees and expenses of any Independent Appraiser(s) selected pursuant to this section. For purposes of the foregoing, the term "Independent Appraiser" means a firm which is generally qualified to render opinions as to the fair market value of assets such as those owned by the Landlord, which is mutually acceptable to the Landlord and the Tenant and which satisfies the following criteria:
 - i. Such firm is not a partner, owner, or affiliate of the Landlord or the Tenant;
 - ii. The appraiser is a licensed appraiser who is a member of the Master Appraisal Institute ("MAI") and who has experience in the geographic area in which the Premises are located;
 - iii. Such firm (or a predecessor in interest to the assets and business of such firm) has been in business for at least five (5) years, and at least one of the principals of such firm has been in the active business of appraising substantially similar assets for at least ten (10) years;

- iv. Such firm has regularly rendered appraisals of substantially similar assets for at least five (5) years on behalf of a reasonable number of unrelated clients, so as to demonstrate reasonable market acceptance of the valuation opinions of such a firm;
- v. One or more of the principals or appraisers of such firm are members in good standing of an appropriate professional association or group which establishes and maintains professional standards for its members; and,
- vi. Such firm renders an appraisal to the Landlord only after entering into a contract that specifies the compensation payable for such appraisal.

b. The Option Fee shall be applied to the Purchase Price at closing.

§11.03. Upon determination of the Purchase Price, Tenant and Landlord, shall enter into a written contract for the purchase and sale of the Premises in accordance with the terms of this Lease and containing such other terms and conditions as are standard and customary for similar commercial transactions in the geographic area which the Premises are located, providing for a closing not later than the date specified in the Option Exercise Notice or thirty (30) days after the Purchase Price has been determined under this Lease, whichever is later. In the absence of any such contract, this Lease shall be specifically enforceable upon the Tenant's exercise of the Option. The Landlord's right, title, and interest in the Premises shall be conveyed by a General Warranty Deed, Bill of Sale, and any other instruments deemed necessary by the title company (the "**Conveyance Documents**"). Upon closing, the Landlord shall deliver to Tenant, along with the Conveyance Documents, a Texas form Owner's Title Policy dated as of the close of escrow, in the amount of the Purchase Price, subject to the liens, encumbrances and other exceptions then affecting the title. Landlord and Tenant shall be responsible for customary closing costs in similar commercial transactions in Cameron County, Texas. Prorations shall be made as of midnight of the day preceding the closing of title.

§11.04. If Tenant does not exercise the option by the Expiration Date, the option terminates, Landlord retains the Option Fee, and Tenant shall execute and deliver to Landlord a recordable release of the option. If Tenant exercises the option but Landlord does not timely execute and deliver the contract, then Tenant shall have all applicable remedies, including specific performance.

Right of First Refusal Agreement

§11.05. Landlord grants to Tenant a right of first refusal to acquire the Premises. During the Term, if Landlord receives an offer for the sale or other transfer of the Premises or any portion thereof or interest therein for any form of consideration that Landlord wishes to accept, Landlord agrees to notify Tenant in writing before accepting the offer. The notice

shall state the identity of the proposed transferee and the complete terms of the proposed transfer. If the proposed consideration for the transfer is other than cash, the notice shall also state the cash equivalent reasonably determined by the Landlord for the noncash consideration.

§11.06. Tenant shall have the right to purchase the Premises on the terms set forth in Landlord's notice by giving written notice to Landlord within sixty (60) days following the receipt of Landlord's notice. If Tenant affirmatively exercises such right, the Premises shall be transferred to Tenant, and Tenant shall pay to Landlord the consideration on the terms set forth in the notice from Landlord.

§11.07. If Tenant does not affirmatively exercise its right within the sixty (60) day period, Landlord may transfer the Premises to the party and on the terms described in Landlord's notice to Tenant within the one hundred eighty (180) day period following the expiration of the sixty (60) day period. If a transfer is not consummated within the one hundred eighty (180) day period, Landlord may not transfer the Premises without again complying with the provisions of this Agreement. Notwithstanding any other provision of this Agreement, if Landlord wishes to effect a transfer on terms that are less favorable to Landlord than those described in Landlord's notice, Landlord must repeat the process set forth in this Agreement by giving a new notice to Tenant setting forth the new terms. If Landlord timely consummates a transfer, this Agreement shall automatically terminate when the Premises is conveyed to the party named in Landlord's notice to Tenant; however, if the Term of this Lease has not yet expired, then the Term of this Lease shall continue in accordance with the provisions of this Lease. If an offer received by Landlord calls for delivery of a promissory note or other deferred payment obligation, the promissory note or other deferred payment obligation of Tenant shall be deemed equivalent to those offered.

§11.08. If any offer provides for noncash consideration, and Tenant disputes Landlord's determination of the value of the noncash consideration set forth in Landlord's notice, and Landlord and Tenant cannot resolve the dispute within thirty (30) days after Tenant gives notice of the dispute to Landlord, the matter will be submitted to binding arbitration in Cameron County, Texas, under the Commercial Arbitration Rules of the American Arbitration Association by a single arbitrator, and the determination of such arbitrator shall be binding on both parties. The sixty (60) day period for exercise of Tenant's rights shall be tolled during the period of arbitration proceeding is pending.

§11.09. The rights granted in this Agreement expire at the end of the Term unless such Term is amended, extended, or otherwise modified.

§11.10. If the Premises is transferred by gift, devise, descent, or another transaction that does not involve the payment of consideration in any form, the provisions of this Agreement shall be fully binding on the person acquiring title to the Premises in that transaction.

§11.11. Tenant may record this Agreement or a memorandum of this Agreement in the Official Records of Cameron County, Texas. Tenant shall, on request, execute and record a release of this Agreement following its lawful expiration or termination.

§11.12. Any notice required or permitted under this Article 11 must be in writing and delivered in accordance with section 10.17 of this Lease.

ARTICLE 12. INSURANCE

Liability Insurance

§12.01. At all times during the Term, Tenant shall provide and keep in force liability insurance covering Landlord and Tenant for liability for property damage and personal injury. This insurance is to be carried by one or more insurance companies duly authorized or admitted to transact business in Texas with a Best's Insurance Rating of B or better, selected by and paid for by Tenant. The insurance provided under this section must be in the amount of not less than Five Hundred Thousand Dollars (\$500,000) for property damage and not less than One Million Dollars (\$1,000,000) for one person and not less than One Million Dollars (\$1,000,000) for personal injury. This insurance will protect Landlord and Tenant against liability to any employees of Tenant and to any other person or persons whose property damage or personal injury arises out of or in connection with the Tenant's occupation or use of the Premises.

Insurance on Buildings and Improvements

§12.02. Landlord shall keep all buildings and other improvements located or being constructed on the Premises insured against loss or damage by fire, with extended-coverage endorsement or its equivalent. This insurance is to be carried by insurance companies authorized or admitted to transact business in Texas with a Best's Insurance Rating of B or better, selected by and paid for by Landlord. The insurance must be in amounts not less than One Hundred Percent (100%) of the full insurable value of the buildings and other improvements. The insurance policy or policies must name both Landlord and Tenant as named insured and must provide that any loss shall be made payable jointly to Landlord and Tenant.

Insurance Certificates

§12.03. Tenant and Landlord must provide certificates of all insurance required by this article. Each insurance policy shall name as insureds thereunder Tenant and Landlord.

ARTICLE 13. REPRESENTATIONS AND WARRANTIES

Landlord's Representations and Warranties

§13.01. Landlord hereby represents and warrants to Tenant that:

- a. Landlord owns fee simple title to the Premises and the Premises are in compliance with all easements, restrictions and other matters of record affecting title as of the date hereof.
- b. Landlord has full right, power and authority to make, execute, deliver and perform its obligations under this Lease. The entry by Landlord into this Lease with Tenant and the performance of all of the terms, provisions and conditions contained herein does not and will not violate or cause a breach of or default under any agreement or obligation to which Landlord is a party or by which it is bound.
- c. There are no tenants, lessees or other occupants of the Premises having any right or claim to possession or use of the Premises or a claimed preference for occupancy in the Premises except as have been previously disclosed to Tenant.
- d. There are no unpaid ad valorem taxes and no unpaid special assessments for public improvements of which Landlord has received notice, or of which Landlord is otherwise aware, for sewer, sidewalk, water, paving, gas, electrical or utility improvements or other capital expenditures, matured or unmatured, affecting the Premises.
- e. Landlord is not obligated under any contract, lease or agreement, oral or written, with respect to the ownership, use, operation, management, maintenance, lease, sale or financing of the Premises except as previously disclosed to Tenant.
- f. No representation, statement or warranty by Landlord contained in this Lease contains any untrue statement or omits a material fact necessary to make the statement of fact therein recited not misleading.
- g. There is no action, suit, litigation or proceeding pending or, to Landlord's knowledge, threatened against Landlord and/or the Premises which could prevent or impair Landlord's entry into this Lease and/or performance of its or any of Landlord's obligations hereunder or materially and adversely impact Tenant's rights hereunder.
- h. The person signing this Lease on behalf of Landlord is duly and validly authorized to do so.

- i. There are no pending condemnation proceedings relating to any portion of the Premises, and Landlord has received no notices of the institution or the proposed institution of condemnation proceedings relating to any portion of the Premises or of any other proceedings against or any taking of all or any part of the Premises.
- j. There is no pending or threatened litigation, governmental proceeding, notice of action required to be taken, judgment or cause of action against or related to the Premises, or any portion thereof, or against Landlord or Landlord's agents with respect to the Premises or any portion thereof.

Tenant's Representations and Warranties

§13.02. Tenant hereby warrants and represents to Landlord that:

- a. Tenant is lawfully existing as a regional mobility authority under the laws of the State of Texas.
- b. Tenant has the full right, power and authority to make, execute, deliver and perform this Lease.
- c. Tenant's execution and delivery of this Lease has been authorized by all requisite action on the part of Tenant, and the execution and delivery of this Lease by Tenant and the performance of its obligations hereunder will not violate or contravene any agreement or obligation to which Tenant is a party or by which it is bound.
- d. There is no action, suit, litigation or proceeding pending or, to Tenant's knowledge, threatened against Tenant that could prevent or impair Tenant's entry into this Lease and/or performance of its obligations hereunder.
- e. The person signing this Lease on behalf of Tenant is duly and validly authorized to do so.

Warranty of Quiet Enjoyment

§13.03. Landlord covenants that as long as Tenant pays the rent under this Lease and observes the covenants and terms of this Lease, Tenant will lawfully and quietly hold, occupy and enjoy the Premises during the Term without being disturbed by Landlord or any person claiming under Landlord.

ARTICLE 14. MISCELLANEOUS

Parties Bound

§14.01. This Lease binds, and inures to the benefit of, the parties to the Lease and their respective heirs, executors, administrators, legal representatives, successors, and assigns.

Texas Law to Apply

§14.02. This Lease is to be construed under Texas law, and all obligations of the parties created by this Lease are performable in Cameron County, Texas.

Legal Construction and Severability

§14.03. If any one or more of the provisions contained in this Lease are for any reason held to be invalid, illegal, or unenforceable in any respect, the invalidity, illegality, or unenforceability will not affect any other provision of the Lease, which will be construed as if it had not included the invalid, illegal, or unenforceable provision. As used herein, all references made (a) in the neuter, masculine or feminine gender shall be deemed to have been made in all such genders, (b) in the singular or plural number shall be deemed to have been made, respectively, in the plural or singular number as well, and (c) to any section, subsection, paragraph or subparagraph shall be deemed, unless otherwise expressly indicated, to have been made to such section, subsection, paragraph or subparagraph of this Lease.

Prior Agreements Superseded

§14.04. This Lease constitutes the parties' sole agreement and supersedes any prior understandings or written or oral agreements between the parties with respect to the subject matter.

Amendment

§14.05. No amendment, modification, or alteration of this Lease is binding unless in writing, dated subsequent to the date of this Lease, and duly executed by the parties hereto.

Rights and Remedies Cumulative

§14.06. The rights and remedies provided by this Lease are cumulative, and either party's using any right or remedy will not preclude or waive its right to use any other remedy. The rights and remedies are given in addition to any other rights the parties may have by law, statute, ordinance, or otherwise.

Attorneys' Fees and Costs

§14.07. If, as a result of either party's breaching this Lease, the other party employs an attorney to enforce its rights under this Lease and it becomes necessary to file a lawsuit to enforce its rights under this Lease or any provision herein, the party prevailing such action shall be entitled to recover, in addition to all other remedies or damages, reasonable attorney's fees pertaining to such lawsuit.

Time of Essence

§14.08. Time is of the essence for this Lease.

§14.09. Landlord agrees that Tenant, at any time prior to the sixtieth (60th) day after the expiration or other termination of this Lease, may remove from the Premises any and all office, maintenance, construction or similar equipment which Tenant has furnished or installed together with all personal and other property in which the Tenant has an interest.

§14.10. The Parties shall execute, for recording purposes, a Memorandum of Lease in conformity with the law and practice of the State of Texas, and the same shall be placed of record at Tenant's expense. If requested by Landlord, Tenant shall, upon termination of this Lease as provided herein, execute and deliver to Landlord an appropriate release, in form proper for recording, of Tenant's interest in the Property.

§14.11. If curing any default (other than failure to pay rent, insurance premiums or ad valorem taxes) or performing any other covenant or term is delayed by reason of an ongoing pandemic such as COVID-19, war, civil commotion, act of God, governmental restrictions, regulations, or interference, fire or other casualty, or any other circumstances beyond Tenant's control or that of the party obligated or permitted under this Lease to do or perform the term or covenant, regardless of whether the circumstance is similar to any of those enumerated or not, each party so delayed is excused from performance during the delay period.

MEMORANDUM OF LEASE

STATE OF TEXAS §
COUNTY OF CAMERON §

This Memorandum of Lease (this "**Memorandum**") is effective as of _____ 2020, between the Cameron County Regional Mobility Authority, a political subdivision of the State of Texas ("**Tenant**"), and AGC Solutions, LLC, a Texas limited liability company ("**Landlord**").

RECITALS:

A. Landlord and Tenant entered into that certain Lease of even date herewith (the "**Lease**") for that certain real property and improvements generally located at 3470 Carmen Avenue, Units B3, B4, B5, B6, and B7, Rancho Viejo, Cameron County, Texas 78575 (the "**Premises**").

B. The parties desire to enter into this Memorandum for the purposes of recording notice of the Lease to protect the rights and interests of Landlord and Tenant as to third parties.

NOW, THEREFORE, the parties hereby make the following declarations:

1. The parties to the Lease are the Cameron County Regional Mobility Authority, as Tenant, and AGC Solutions, LLC, as Landlord, and the real property and improvements subject to the Lease are the Premises.

2. The term of the Lease is for five (5) years and such term commenced as of _____, 2020 (the "**Commencement Date**") and expires at 11:59 o'clock P.M. on the day immediately before the fifth (5th) anniversary of the first (1st) day of the first (1st) full calendar month following the Commencement Date, unless terminating sooner as provided in the Lease.

3. Pursuant to the Lease, Tenant has an option to purchase the Premises as well as a right of first refusal.

4. In the event of any conflict or any inconsistency between the terms and provisions of the Lease, on the one hand, and the terms and provisions of this Memorandum, on the other hand, the terms and provisions of the Lease shall control. Nothing contained in this Memorandum shall alter, modify, or amend the provisions of the Lease, which remains in full force and effect according to all the terms and provisions thereof.

Nothing in this Memorandum is intended in any way to modify or amend the Lease or waive any of the respective rights thereunder of the parties hereto except as set forth herein.

ROAD FACILITIES**

**2-K CONSIDERATION AND APPROVAL OF AN ADDITIONAL POLICY TO
CAMERON COUNTY REGIONAL MOBILITY AUTHORITY PERSONNEL
POLICY MANUEL FOR USE OF PROTECTED HEALTH INFORMATION**

POLICY ON DISCLOSURE AND USE OF PROTECTED HEALTH INFORMATION

- A. From time to time, the Authority may request an employee's protected health information from that employee's health care provider for the following purposes:
 1. The protected health information that is disclosed consists of findings concerning a work-related illness or injury or a workplace-related medical surveillance;
 2. The Authority needs such findings in order to comply with its obligations, under 29 C.F.R. Parts 1904 through 1928, 30 C.F.R. Parts 50 through 90, or under Texas law having a similar purpose, to record such illness or injury or to carry out responsibilities for workplace surveillance;
 3. The covered health care provider provides written notice to the employee that the protected health information relating to the medical surveillance of the workplace and related illnesses and injuries is disclosed to the Authority by either giving a copy of the notice to the employee at the time the health care is provided or, if health care is provided on the work site of the Authority, by posting the notice in a prominent place at the location where the health care is provided; or,
 4. Any other purposes allowed by Texas or Federal law.
- B. In order for the Authority to provide a safe workplace for its employees, each employee is required to execute the Authorization to Disclose Protected Health Information as may be amended by the Texas Attorney General from time to time. This Authorization is attached as Exhibit "K" to this Manual. Employees may also be required to execute any other authorization or consent forms required by an employee's health care provider for purposes of providing protected health information to the Authority if such information is needed by the Authority as determined by the Authority in its sole and absolute discretion.
- C. "Protected health information" means individually identifiable health information that is transmitted by electronic media, maintained in electronic media, or transmitted or maintained in any other form or medium.
 1. "Individually identifiable health information" means information that is a subset of health information, including demographic information collected from an individual, and:
 - a) Is created or received by a health care provider, health plan, the Authority, or health care clearinghouse; and,
 - b) Relates to the past, present, or future physical or mental health or condition of an individual; the provision of health care to an individual; or, the past, present, or future payment for the provision of health care to an individual that either identifies the individual or provides a reasonable basis to believe the information can be used to identify the individual.
- D. The Authority will maintain any protected health information concerning employees in separate, confidential files. The Authority strives to protect the privacy of its

employees' protected health information to the greatest possible extent. Only authorized employees may ever have access to such files.

- E. Employees are hereby notified that protected health information concerning employees is confidential under Texas and Federal laws and may not be discussed at any time with any person under any circumstances, unless an employee needs to do so in order to carry out his or her job duties, or unless the person discussing the information is talking or otherwise communicating with the subject of the information at that person's invitation. If an employee is concerned about a possible medical condition on the part of a coworker, the employee must not discuss such concern with anyone other than the Executive Director or the Executive Director's prior written designee.
- F. A violation of the foregoing provisions concerning an employee's protected health information shall be subject to severe disciplinary action, up to and possibly including immediate termination from employment. In addition, Texas and Federal laws may subject such an employee to both civil and criminal action in a court of law.
